

IMPROVE PATIENT OUTCOMES, ADVANCE YOUR CAREER

Bachelor of Science in Nursing (RN to BSN) in as Little as 12 Months*

According to *Nurse Journal*, Nurses with a BSN were recently found to be eligible for 88% of available jobs, compared to only 51% for RNs, which means that you can make yourself more valuable by earning your BSN.**

CAREER REWARDS:

- Increase your earning potential
- Expand your job opportunities
- Explore the role of a leader
- Deepen your understanding and use of evidence-based practice
- Gain new knowledge for better patient outcomes
- Reignite your enthusiasm in your work

Choosing GCU

Learn at the next level in a program with these key advantages:

- Attend class 100% online (capstone practicum is completed locally)
- Take one course at a time (a single course is five weeks long)
- Learn from specialized, practicing nurses
- Focus on clinical reasoning, leadership and evidence-based practices
- CCNE-accredited, AACN-aligned

Curriculum

Core courses in the program include:

- Concepts in Community and Public Health
- Introduction to Nursing Research
- Ethical and Spiritual Decision Making in Health Care
- Nursing Leadership and Management
- Trends and Issues in Today's Health Care

Start your life-changing career as a BSN-prepared nurse today!
