John Weispenning, Ph.D.

Chancellor, Coast Community College District

Dr. John Weispenning became Chancellor of the Coast Community College District in July of 2016. For more than six years, he has worked to ensure equitable student success and a welcoming culture that is supportive of faculty and staff. The Chancellor has also overseen the transformative implementation of Measure M, the \$698 million community bond program that is revitalizing facilities and infrastructure at Coastline College, Golden West College, and Orange Coast College. In addition to providing leadership for the Coast District, Dr. Weispenning serves as an advocate for community colleges at the regional, state, and national level. He has particularly led on issues of financial aid, workforce development, and college accreditation.

Dr. Weispenning, former President of Santiago Canyon College, Orange, California, and Vice President of Instruction at Orange Coast College, is the author of two dozen plus scholarly publications and papers related to working with media organizations, processes, and content. Dr. Weispenning has been noted for his published work in the *Journal of Communication*, *Mass Communication Quarterly*, and *Mass Comm Review* and brings his

experience as a journalist and broadcaster with radio stations throughout the Midwest to the Coast District.

The native North Dakotan has years of experience in and knowledge of the California Community College System. Dr. Weispenning served on the Executive Board of the California Community Colleges Chief Instructional Officers and on the Executive Board of the Council of Chief Librarians of the California Community Colleges.

Dr. Weispenning received his doctorate from Purdue University and earned his Master of Science in Communication from North Dakota State University. He also earned a Bachelor of Science in Mass Communication from Minnesota State University, Moorhead.

Anna Trollmann

Anna always dreamt of attending a university straight out of high school, but as the time came closer, she realized that community college would be the best path for her. As she entered GWC, she was determined to follow her dream of becoming an American Sign Language educator.

Although becoming involved on campus was never on the forefront of her mind, she soon found herself in an Alpha Gamma Sigma honor society zoom meeting. Her involvement in AGS quickly grew as she became the President for both the Fall 2021 and Spring 2022 semesters. Through AGS, Anna has been able to find a love for service work and leadership. She has created a safe and welcoming space for GWC students to participate in activities and find a community of like-minded peers.

Serving as a GWC Ambassador has been another aspect of Anna's involvement at GWC. Anna's work as an ambassador led her to find a passion for public speaking and working with high school students in her community. She has assisted in many campus tours for prospective GWC students where she has been able to share the love she has for her campus with future Rustlers.

Anna has a passion for learning and helping others around her. She is always willing to offer a helping hand to her peers and uses her leadership skills to guide others through challenges. Recently Anna was awarded the Tom Jackson scholarship at the AGS state convention. This award is the highest honor given for academics, service, and leadership. Although many challenges arose for Anna over these past 2 years, she used the skills she learned from her mentors and professors to find the determination to not give up.

Anna is grateful for the valuable lessons she gained from her peers and staff during her time at GWC. She will be taking these lessons on with her as she continues her studies as an ASL and Deaf Studies Education major at Utah Valley University this Fall.

Erish Mae Araneta

At twelve, Erish's family moved from the Philippines to America. She was nervous about the change in country, culture, language, and many other anchors in her life. However, she wanted to reach for all the opportunities this can bring as well.

In 10th grade, Erish took a test to exit high school and entered GWC as a pre-nursing major. As she started college, she joined the Alpha Gamma Sigma Honors Society. She later served as an officer for three semesters, where she helped organize, publicize, and attend volunteer events and donation drives for the community. Erish also joined the Publicity Committee and was elected Vice-Chair and Secretary. In Fall 2021, she joined the Student Interest Committee and served as the committee's Vice-Chair and Secretary. Here, she helped develop events to reach out to students and discuss issues that affect the student body. This helped her assist students to create the changes that they want to see in the world. With students working online, Erish found that many students had trouble accessing school services and opportunities. With her involvement on campus, she works hard to connect students to the many different campus events, opportunities, and resources.

In Fall 2020, Erish wrote *Chemist Clara's Sweet Adventures*, a children's book that teaches kids how sugar affects the body. Especially with the pandemic, she found that many young students were restricted to staying still and staring at computers to study. Erish saw her parents suffer from many health conditions because of diabetes, some of which she also lives with today. With this book, Erish hopes to help the children of her generation avoid this outcome.

Knowing the challenges that come with college, Erish wanted to use what she learned to help other students. As an Embedded Tutor for the Academic Success Center, Erish has spent more than 750 hours as a tutor for Chemistry 110, English 100, English Language Learning, and Citizenship.

Erish has been the recipient of many prestigious scholarships, including the 2021 ASGWC Perpetual Scholarship, the 2020 ASGWC High School Leadership Scholarship, and the Randy Taylor Award. She will transfer to CSULB School of Nursing this upcoming fall semester to further her dreams of ultimately receiving a Ph.D. in nursing. With this, Erish hopes to provide efficient, accessible, and reliable healthcare for patients. She believes in the power of health education and how it can help the world. GWC inspired her to spread education about the principles and importance of healthcare to diverse cultures and age groups.

ALPHA GAMMA SIGMA
HONOR SOCIETY

CALIFORNIA STATE ALPHA GAMMA SIGMA HONOR SOCIETY SCHOLARSHIP AWARDS 2022

The 2022 State Alpha Gamma Sigma Convention awarded scholarships to AGS members from all active AGS chapters statewide. Each AGS chapter may submit their top three members for scholarship consideration. This year we were fortunate to be able to submit three student candidates. Receiving a scholarship from Alpha Gamma Sigma is highly competitive and a true honor. Congratulations to the following California State AGS Scholarship/Award recipients:

Randy Taylor Scholarship Award

Erish Mae Araneta

Kathleen D. Loly Scholarship Award

Damjan Nastic

Tom Jacon Scholarship Award

Anna Trollmann

ALPHA GAMMA SIGMA STATE HONOR ROLL 2021-2022

This state-wide award recognizes Alpha Gamma Sigma Permanent Members who have completed 60 or more college units with a 3.95 or better cumulative grade point average. Honor Roll recognition is recorded at the state level and recipients receive a state certificate. This honor is officially recorded on their college transcripts. Congratulations to the following AGS Honor Roll recipients:

*Erish Mae Araneta
Angel Avalos-Lagunas
Daisy Avila
Dae Hoon Chung
Tiffany Dang*

*Marissa Ann Lavezzari

Interpreting services provided by
GWC Disabled Students Programs & Services (DSPS)

In the 12th and 13th centuries, when universities were under the jurisdiction of the church, students wore habits, or cloaks with hoods, which were designed to provide warmth in unheated buildings. The more colorful modern academic costume, worn more for its symbolism than for any practical purpose, originated at Oxford and Cambridge universities in England in the 1300s, and has been continuously in use in the United States since colonial days.

The mortarboard cap represents no particular degree or school, except that the short, gold tassel is worn only by holders of the doctoral degree. The tassel may be worn on either side of the cap, or wherever the wind places it! The gown itself is usually black for all holders of baccalaureate or higher degrees. Bachelor's and master's degree styles differ little, but doctoral gowns are faced with velvet panels down the front and velvet bars on the bell-shaped sleeves. Only the hood itself shows by its length and colors the distinctions among degrees, academic majors, and colleges or universities which conferred the degrees. The higher the degree, the longer the hood and the wider the velvet facing which outlines the hood: bachelor's, master's, and doctor's hoods are three feet, three and one-half feet, and four feet long, respectively. In addition, the velvet trim is two, three, or five inches wide (narrowing only around the neck) in the same order of degrees. The color of the velvet facing denotes the academic area in which the degree was awarded, as listed below. The colors of the satin lining in the hood are the school colors of the institution where the degree was awarded (e.g., University of California colors are blue and gold, and the University of Southern California's, maroon and gold). Only the doctor's hood also includes panels with narrow satin piping.

Velvet "Field" colors, which symbolize academic areas of study, are as follows:

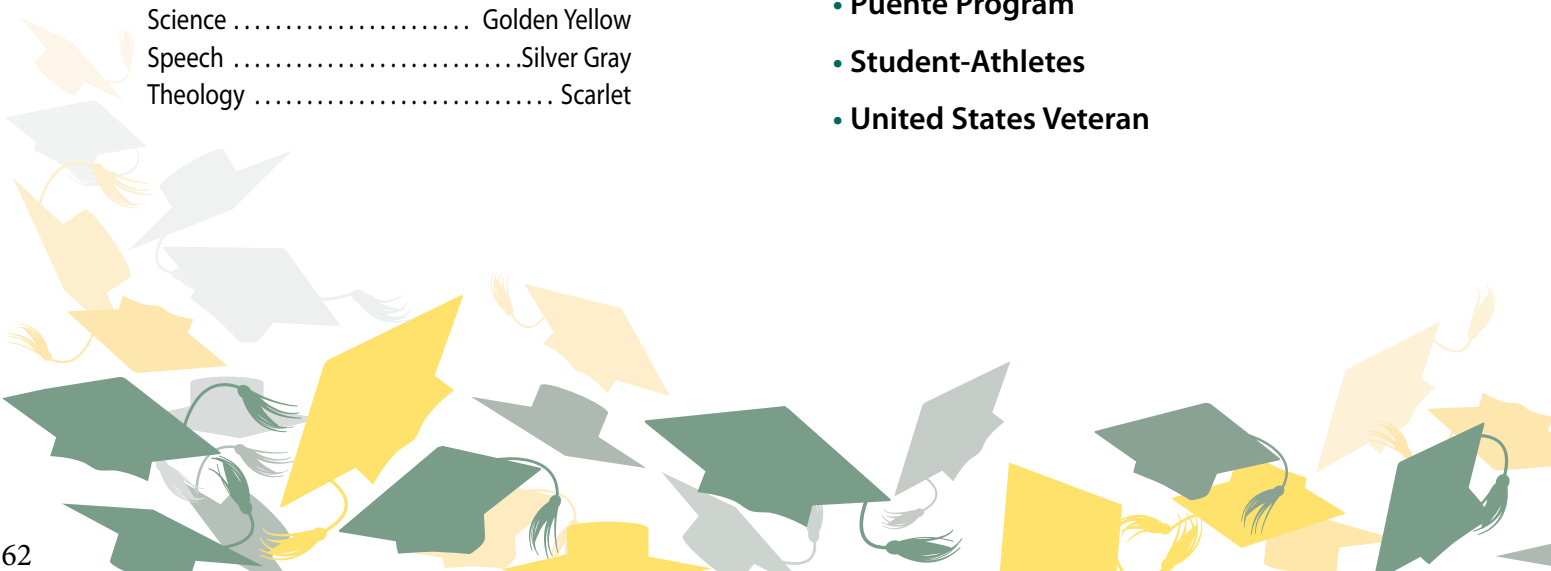

Arts, Letters and Humanities	White
Business	Drab
Economics	Copper
Education	Light Blue
Engineering	Orange
Fine Arts and Architecture	Brown
Journalism	Crimson
Law	Purple
Library Science	Lemon
Music	Pink
Nursing	Apricot
Philosophy	Dark Blue
Physical Education	Sage Green
Science	Golden Yellow
Speech	Silver Gray
Theology	Scarlet

Golden West College tassel colors represent:

- Green – AA Degree
- Gold – Certificate of Achievement
- Green and Gold – Receiving both an AA and Certificate

Members of the following groups are represented with special stoles:

- Alpha Gamma Sigma Honor Society
- EOPS Program
- Puente Program
- Student-Athletes
- United States Veteran
