Area F update:

*The CSUCO will allow Fall 2021 **backdating** for proposed Area F courses submitted during the next review cycle (December 2021). We expect to return CSU GE Breadth/IGETC decisions to colleges **April through May 2021**. Please check the ASSIST workflow for your college's proposal decisions, including feedback from reviewers. Please review the Locating Course Submission Decision Information tutorial on the ASSIST website.*

Transfer Model Curriculum (TMC) Template for Business Administration 2.0 Update:

Colleges are encouraged to initiate degree development as soon as possible and can begin awarding the new degree as early as Summer 2021. Colleges currently offering a Business ADT have a year to provide a business degree reflecting the new TMC version.

What Has Changed:

While the original Business Administration TMC required one math course, Introduction to Statistics (C-ID MATH 110), Finite Math (C-ID MATH 130), or Business Calculus (C-ID MATH 140), the revised TMC requires Introduction to Statistics (C-ID MATH 110= **MATH G160/Statistics equiv**) and Finite Math (C-ID MATH 130), or Business Calculus (C-ID MATH 140= **MATH G140**), **or a course articulated for major preparation at a CSU campus.**

In addition, the new version requires Introduction to Business (C-ID BUS 110=**BUS G100**) or Business Communication (C-ID BUS 115=**BUS G139**). The option of taking Business Information Systems/Computer Information Systems (BUS 140/ITIS 120=**CS G130**) or a computer skills course instead of BUS 110 or BUS 115 has been **removed**.

The [Business Administration TMC](#) is available on the C-ID website under the TMC tab.

Follow-up:

If necessary, a FAQ document will also be posted on the C-ID website.

From Yvonne to counselors:

This is going to be the required coursework for the Business AST.

Major changes:

Will require BOTH Math G140 and Math G160/Statistics equiv for the degree.

Removes CS G130 as an option under List B. Some colleges may still require this, and we don't have word on how this fits into the BusAdmin2.0

The transcript will have to designate either the current version (V1.0) or the new/updated version (V2.0).

Must be in catalog starting 2022-2023 academic year, I suspect the revisions will be moved through CCI either this semester or early Fall 2021.

Most questions asked are: How will this impact transfer?

Depends. Students will maintain catalog rights for transfer if they started under the current 1.0 version, but ALL students starting next academic year will need to start the 2.0 version. This will also apply to ANY changes of major for continuing students after Fall 2022.
