

**RSI**

**Review & Support**

Spring Summit 2025

# Agenda

---

- 1. RSI Review**
- 2. Self-Evaluation**
- 3. Post-it Gallery Walk**
- 4. Small Group Discussion**
- 5. Large Group Share**
- 6. Exit Ticket**

# RSI Key Words

---

<b>Regular</b>	weekly
<b>Substantive</b>	actions that facilitate teaching, learning, and assessing
<b>Interaction</b>	personalized instructor-initiated communication to students, which support their academic needs

# RSI Objective

---

*Every week, faculty should initiate a substantive action that engages in at least one area for that week, and a combination of at least two areas in the semester.*

## **Keep in mind...**

- One action may incorporate multiple areas.
- **All** RSI actions **do not** need to occur **every** week.
- Only three of the five areas apply to asynchronous courses.

# RSI Areas

<b>A</b>	<b>Direct Instruction</b>	Live, synchronous contact between the instructor and students.
<b>B</b>	<b>Assessing or Providing Feedback</b>	Includes both grading and non-grading types.
<b>C</b>	<b>Providing Information or Answering Questions</b>	Offers supplemental information, examples, and clarification.
<b>D</b>	<b>Facilitating Discussion</b>	Additional non-assessment discussion and student-to-student interaction opportunities.
<b>E</b>	<b>Other Approved Instructional Activities</b>	Likely not applicable at this time.

# Self-Evaluation

---

Yes	No		
		<b>Regular Interaction</b>	Every week, do you initiate at least one action that engages in at least one area?
		<b>Substantive Interaction</b>	For the semester, do you check at least two areas for substantive interactions?

*If you answered yes to both questions, then you are RSI compliant!*

# Post-It Gallery Walk

---

- **Write an RSI action on a post-it.**
- **Use one post-it per action.**

*Refer to the packet for examples.*

# Post-It Gallery Walk

---

**Place your post-it on the gallery wall under the area your RSI action represents.**

*It's ok if you are unsure of which area!*

*Ask each other, me, or refer to the packet for examples.*

# Post-It Gallery Walk

---

**Observe the final product!**

*Feel welcome to snap pictures of RSI actions you want to remember.*

# Post-It Gallery Walk

---

**Debrief as a large group.**

*Please share what action you liked or what you still have questions about.*

# Small Group Discussion

---

***Pick one or more topics of interest to discuss:***

- Is there an idea or a specific action you're currently doing that you want feedback on?
- Is there a new RSI strategy from the gallery walk that you want to discuss or implement?
- What technology tools help you in facilitating RSI?
- What questions do you still have about RSI?

# Large Group Share

---

***Share what you discussed!***

# Exit Ticket

---

*Use the QR code to access the survey.*

***Thank you!***
