

FREE Senior Healthcare Technician Program

Do you like working with seniors?

The demand for senior care professionals is already strong, and as baby boomers grow older, the need for qualified caregivers will only continue to grow.

EARN A SENIOR HEALTH CARE TECHNICIAN CERTIFICATE

This program will train you as a caregiver to provide support to society's elderly members in every aspect of their daily lives, and in a variety of settings.

YOU WILL LEARN:

- How the aging process affects a person and how the caregiver can help
- Senior care resources and legal issues
- Common diseases affecting the elderly population
- How to communicate with a person with memory loss or someone who is agitated or difficult
- Infection control
