			the assignment. This is to ensure greater success in regards to their final draft.
			I would like to assess this SLO again next semester using a
SOC G100	cSLO 7	Spring 2017	differentassignment to see if the results change.
			Will identify additional trends and issues for students to include in their
SOC G100	cSLO 7	Fall 2017	analyses in the future, in order to remain current with popular culture.
			Based on the results of the students' presentations, more focus should be
SOC G160	cSLO 2	Fall 2017	paid to early childhood development as an indicator of potential deviant
300 0100			future behavior.
			The majority of students who failed to successfully complete this assignment
SOC G185	cSLO 4	Spring 2018	failed to do so because of late submissions. In the future, I will more strongly
			emphasize the need for students to turn assignments in on time.
SOC G185	cSLO 6	6 Fall 2017	Assign more varied material regarding the war on drugs, and its impact on
			disparate communities. Given California's recent passing of marijuana as a
			recreational drug, have students examine the impact this has had on the
			state.
