

GOLDEN WEST COLLEGE STUDENT HEALTH CENTER

NURSING PHYSICALS

While each case is individual, most students need two to four visits to complete all physical exam items:

THE FIRST VISIT:

Expect your first visit to take approximately 60 minutes. The initial visit will include vital signs, vision and hearing tests, blood and urine collection, initial TB screening, and vaccines if needed.

Please bring all immunization records and required forms with you.

SUBSEQUENT VISITS:

These visits will include the physical exam with a physician, vaccines if needed, and multiple visits for TB screenings.
